

Auckland Teaching Gardens

Plot Application Form

Summer

1st October to 31st March

Winter

1st April to 30th September

Welcome to the Auckland Teaching Gardens. We would like to help you learn some basic gardening skills that will enable you to grow your own fruit and vegetables at home. Applicants must be 18 years old or more, and any children brought to the site must be kept under supervision at all times.

The 5x5m garden plots are allocated to individuals, a family, or a group for approximately 26 weeks, with the opportunity to complete a further 26 weeks, subject to regular attendance and satisfactory progress.

Have you attended a Teaching Garden before? If yes, when did you start?

SOME BASIC RULES: Follow site rules and procedures. Health and Safety is Important!!

- There will be some seeds and plants made available for you, but we can not meet the wishes of everyone.
- **You must** wear suitable footwear, for your own safety.
- When there is no Mentor present, you may need to bring your own tools and buckets etc.
- **You must** let the Mentor know if you will be away for more than two weeks, or you may lose your plot.
- Please clean your tools at the end of each session. Tools are NOT to be taken home.
- Ask a mentor about watering your plants wisely. We can not afford to waste water needlessly.
- Keep your garden free of weeds. Visit your garden frequently to keep it tidy.
- **Please respect your neighbour's garden & only take vegetables from your own plot.**

The Auckland Teaching Gardens is a Charitable Trust, so we do ask for a contribution of \$30 inc GST per season. You **MUST** attend the gardens at least one of the two official working days for your particular gardens. This will ensure the Mentor can remain in contact with you.
